DETAILED ACTION

This action is in response to Applicant's amendment filed March 19, 2007. Claims 1-12, 14-20, 23, 25 and 26 are pending in the present application.

Allowable Subject Matter

Independent claims 5, 10, 18 and 26 have been allowed in the office action mailed July 14, 2006.

In view of the Board's decision dated November 30, 2005, combined with Applicant's amendment, independent claims 1 and 14 are allowed. In combination with each and every limitations in the claims, the prior art of record does not teach "wherein delaying mail requests is achieved by inserting multiple delays that are inserted at different points in a mail protocol" as claimed.

Respective dependent claims are also allowed as being dependent on allowed claims.
